WELCOME TO MUANGBORAN THE ANCIENT CITY

Muangboran The Ancient City was built to serve as a tool to encourage people of the country to learn about the history of their own country.

Founded by Lek Viriyahphant whose motivation and ideal had long been cultivated by his philosophical mind, the place was aimed to make national traditions and culture which are the foundation of Siamese civilization known to the world.

MUANGBORAN  
THE ANCIENT CITY

## MOTTO

From the Fortress of the Oceanic Protective Narayana to the Giant Lanna Buddha  
From the Magnificent Walking Buddha of Sukhothai to the Sacred Creator Brahma,  
From the Elaborate Wood Carvings of Buddha's life to the Attractive Architectural Sites,  
Even the Stunning Sanphet Prasat Palace or the Unforgettable Preah Vihear...  
All can be visited here in Muangboran The Ancient City where Lek Viriyahphant's  
will is reached.)

## OBJECTIVES

1. To make modern people know about their history as the past and history is like a compass and a rudder directing smooth course for a ship.
2. To make use of the art which is the unceasingly precious heritage collected and handed down by our ancestors as an evidence of the Eastern world's natural prosperity which is based on morality .
3. To make our traditions and culture known to the world while cultivating the minds of those addicted to the flourish of science and those materialized by worldly pleasure.
4. To declare the founder's intention to make Muangboran The Ancient City eternally last as the treasure of all mankind.
